You can now pay rent electronically!

RentPayment is a new feature that we have partnered with for the convenience of our residents!

You can pay using an electronic check, at no cost to you! An electronic check, or e-Check, is an electronic version of a paper check, used to process a payment online. In addition, you can charge your rent to your Visa, MasterCard and Discover for a service fee.

To make paying rent even easier, you can sign up for AutoPay by eCheck! AutoPay is an automatic recurring direct debit from your Checking or Savings Account to pay rent seamlessly each month. Now you never have to remember to pay rent again!

You can also use the MoneyGram® ExpressPayment® Service for all money order payments going forward. Through the ExpressPayment® Service, you can now conveniently pay your rent at 40,000 MoneyGram locations including Wal-Mart, CVS/pharmacy and many other retailers. A fantastic benefit of this new service is that it eliminates the need to purchase multiple money orders to pay your rent. The entire balance due can be paid with only one small service fee.

How to get started:

1. Visit www.rentpayment.com
2. Select "sign up"
